Turning Concern into Action

What is SVP?

The St Vincent de Paul Society, or SVP for short, is part of an international Christian organisation dedicated to tackling poverty in all its forms by providing practical assistance and support to people in need.

Our Patron, Saint Vincent de Paul, lived through many difficult times but always found hope in those around him who shared his vision and were inspired by his leadership. In the challenging times we live in we are reminded more than ever of his immense and enduring legacy and how he inspired people to find strength to keep going in the face of adversity and inspired others to provide help and support according to their ability and driven by faith.

The SVP Mission

We all know people in our community who are facing adversity – the sick, lonely, vulnerable and housebound. Our SVP volunteer members aim to fulfil the SVP mission by providing these people with support and comfort.

Would you like to become an SVP Member? You could work with us in whatever way you can – whether it is shopping, phoning someone for a chat, spending time on the phone rescheduling hospital appointments or carrying out practical work around their home. Even if you spent just an hour every once in a while, you would be supporting the SVP to bring comfort and support to others.

We are a small team and we need your assistance now, possibly more than ever. The number of people requiring our support has been increasing and is likely to increase further. There are many in our parish that are short of food, who are lonely, who struggle with financial hardship or are facing their own health issues or those of a loved one.

If you are interested in becoming a member, please contact John Bell by email to john.bell.svp@btinternet.com or mobile on 07745 807155.
